WHAT IS THE LONE SAILOR® STATUE PROJECT?

A fundraising project to place the U.S. Navy Memorial's *The Lone Sailor® Statue* on the Bremerton, WA waterfront at the new Harborside District and Marina is presented by:

**Navy League of the United States
Bremerton-Olympic Peninsula Council**

This active Navy League Council is raising funds to donate this beautiful, patriotic statue to honor those Sea Service members of our communities in the Northwest ..past ..present and future.

The Port of Bremerton Marina provides an excellent location for this statue. Currently, the revitalization of downtown Bremerton includes the Harborside and Marina and is expected to be complete in early 2008.

**Bremerton Harborside District and Marina
U.S. Navy Memorial - *The Lone Sailor®***

The Lone Sailor® Statue would be over 7ft tall and placed about 45' from the SW end of the new Breakwater pier (closest to the ferry side), centered on the 25' wide breakwater. This monumental size statue will stand where a "placeholder" is already planned for statuary and this location provides for maximum waterside viewing while still accessible from the land side on a public pier.

The Lone Sailor® Statue would be another star attraction in the already existing constellation of the historic ship USS Turner Joy (DD951) and the beautiful Shipyard Workers Memorial located on the Boardwalk, along with the newly relocated and expanded Naval Memorial Museum of the Pacific (Bremerton Navy Museum) under construction to the west of the ferry terminal.

The Lone Sailor® Statue should be clearly visible by all vessels transiting Sinclair inlet, to include ships in and out of Puget Sound Naval Shipyard; Washington State and local ferries; and pleasure craft frequenting the marina. Families and friends can gather at the statue to bid aloha and welcome to loved ones aboard these vessels.

FUNDRAISING AND DEDICATION:

Our goal is to raise \$300,000 to complete this project. \$200,000 is needed to purchase The Lone Sailor® Statue from the U.S. Navy Memorial Foundation. The additional \$100,000 would be for site development, fundraising costs, and a proper dedication ceremony.

Please join with us to bring this beautiful 7' tall "The Lone Sailor ®" Statue to Kitsap County. Thanks to the C. Keith Birkenfeld Memorial Trust and The Seattle Foundation for providing leadership funding of \$100,000.00 for The Lone Sailor® Statue. Other Sponsors; The Kitsap Sun, Art Anderson Associates, The Port Of Bremerton, and USS Turner Joy DD-951 All levels of donation will be acknowledged at the dedication ceremony. Watch for the dedication date coming soon.
